

About Us

Welcome to the "About Us" section of our website. Many people who visit this part of our website want to find out more about Northside Community Church? What can I expect if I come to a service? What does Northside believe? What does the future hold for the church? Who makes up the Northside Team? Answers to these questions, and more, are found in this section.

Take a look around. Most of the information you are looking for about us should be here. If you are looking for something in particular, why not try the "Search" function located on the top right hand part of the website? Just type in what you are looking for and press the "Go" button. In addition, there are plenty of opportunities throughout this site to send us questions and comments via email to ask us some questions. Please feel free to drop us a line. It would be great to hear from you. Alternatively, come along to one of our services, call us, or just drop in during business hours if you want to find out more.

We hope to meet you in the near future!
