

Welcome

Hi girls!

Have you ever thought about what defines a woman?

Is it her hair, her voice, her role in the family or the softness she brings in a relationship? I believe it has much to do about her spirit. A woman's spirit is strong and resolute, able to endure in all kinds of hardship...but at the same time is soft, gentle, caring and is full of compassion. We see many examples in day-to-day life of the amazing characteristics of a woman's spirit.

Here at Northside Community Church, we want to capture the heart and spirit of women--to help them recognize their value, worth and significance. Our priority is for women to feel connected, nurtured, nourished and supported, no matter what age or season they are in.

We also are creating an environment where women of all ages can come together for activities. We love what the Bible says about "older" women coming alongside to encourage and share pearls of wisdom with the "younger" women! This is truly an intergenerational women's ministry.

You can see some of the activities we have organised for this year in the sections that follow. We have three main areas: Connect, Live and

Support. There is something for everyone . . . so come along.

If you are new to this website or Northside, please feel free to drop me a line to say hi. I would love to hear from you.

Our heart is for you to feel welcomed, connected, loved and know that there is a home for you here.
