

Welcome

There's not a Church listed on the Internet which doesn't say nice things about itself - so it's a given that we think we are a great Church! Besides, we'd rather let you make that discovery for yourself.

Our main priority on this site is to ensure that you have adequate information about the ways we can serve and help you … the ways we can improve your ability to handle the rigours and pace of life in a city like Sydney.

At the bottom line, we believe that an authentic faith in God through Jesus Christ is the key to effective living. We are a Church that places a strong emphasis on this fact in all we do and say….it's at the heart of who we are and what we believe.

Check out the different options on our site and see the many ways by which we seek to serve: various courses, social activities, programmes and resources for different age groups - it's all there!

Most important of all, get in touch with us or (better still) drop by and see us in our new Ministry Centre. A warm welcome awaits you...
